<b>Title Position</b>	<b>Handy Person</b>
<b>Brief Description</b>	We are looking for someone to help keep our building look beautiful and running smoothly! Our needs include: minor sink repairs, mounting displays, replacing light bulbs, installing cupboards and countertops, etc. Volunteers who help with these tasks will help to save us time and money to focus on our programs.
<b>Time, Place, Duration</b>	Flexible-come to the Foundation whenever you want to get things done! Time will depend on the task itself but probably no more than 2 hours a month.
<b>Qualifications/Interests</b>	Working knowledge of plumbing, carpentry, and maintenance.
<b>Training and Orientation</b>	No specific training is required- initial orientation to the building.
<b>Organization Details</b>	The Red Lodge Area Community Foundation builds community and connects people by catalyzing change and sharing resources to build a strong, vibrant, resilient, inclusive community.
<b>Why is this important?</b>	Our building supports our foundation staff and provides a meeting space for over 60 nonprofits in the community. Help us keep it up and running smoothly!
